## NOTES:

Marketer prices must be filed by the 5th of each month

Commission website: www.psc.state.ga.us

All available marketer rate plans may not be listed on the website. Please contact the marketer for any additional rate plans or offerings.

NEW---If the marketer provided a range of customer service fees based on credit or consumption, then that marketer's "Total Monthly/Annual Bill" Calculation is calculated by using

the HIGHEST of the range. Specific customers' total bill calculations may be different depending on the marketers' credit criteria and consumption.

- (a) The prices billed to a consumer on a variable rate plan will not exceed the price the marketer has on file with the Commission in effect at the beginning of the consumer's billing cycle (meter reading cycle).
- (d) "Apples-to-Apples" = (total monthly bill / monthly consumption)
- (5) Total Monthly Bill = [(Marketer rate (variable or fixed) x 125 therms) + (customer service charge) + January base charge)]
- (f) Prices do not include sales tax, which vary by county.
- g) Existing Plans Are Not Available to New or Existing Customers Not Currently On These Plans
