	Represents the lowest rate for a typical residential customer choosing a STANDARD PLAN, excluding Regulated Provider rates								
	Represents the highest rate for a typical residential customer choosing a STANDARD PLAN, excluding Regulated Provider rates								
NOTES:									
Marketer prices must be filed by the 5th of each month									
Commission website: www.psc.state.ga.us									
All available marketer rate plans will not be listed on the website. Please contact the marketer for any additional rate plans or offerings.									
NEW--If the marketer provided a range of customer service fees based on credit or consumption, then that marketer's "Total Monthly/Annual Bill" Calculation is calculated by using the HIGHEST of the range. Specific customers' total bill calculations may be different depending on the marketers' credit criteria and consumption.									
(1) The prices billed to a consumer on a variable rate plan will not exceed the price the marketer has on file with the Commission in effect at the beginning of the consumer's billing cycle (meter reading cycle). The prices billed to a consumer on a fixed rate plan will not exceed the price on file with the Commission that was in effect at the time the consumer contracted with his or her marketer.									
(2) Interstate Capacity Charges and Balancing Charges are included on all rates unless otherwise noted.									
(3) The Total Annual Bill and Total Monthly Bill include the base charges from Atlanta Gas Light Company. The annual base charge for a typical customer with a 1.30 DDDC Factor is \$580.53 and is \$411.05 for qualifying senior citizens.									
The August 2026 base charge is \$39.71 for a typical customer with a 1.30 DDDC Factor, and is \$25.59 for qualifying seniors with a 1.30 DDDC Factor.									
(4) Monthly "Apples-to-Apples" = (total monthly bill / monthly consumption); Annual "Apples-to-Apples" = (total annual bill / annual consumption)									
(5) Total Monthly Bill = [(Marketer rate (variable or fixed) x 23 therms) + (customer service charge) + July base charge]									
(6) Total Annual Bill = [(Marketer fixed rate x 641 therms) + (customer service charge x 12) + (annual base charges)]									
(7) The Regulated Provider Group 1 customers - low income customers who are qualified by the State Dept. of Human Services. Group 2 customers - high-credit risk customers who cannot obtain service from a marketer.									
(8) Existing Plans Are Not Available to New or Existing Customers Not Currently On These Plans
